

Chairman Steve Herman convened the adjourned session with Vanden Bosch, Scholten, Altena, and Hoefert present. Motion carried assumes unanimous vote unless otherwise stated. Also present was Breckyn Korthals, Jen Smit, Tristan Taylor, Brian Hilt, Micah Freese, Lance Iwen, Daryl Albertson, Stacy Knobloch, and Randy Hage.

The Board started with the Pledge of Allegiance.

Minutes from the August 25, 2026 meeting were reviewed. Motion by Vanden Bosch, seconded by Scholten. Motion carried.

Treasurer Stacy Knobloch was present to discuss Resolution 2026-26 to abate taxes for a property purchased by the Iowa DOT. Motion by Hoefert, seconded by Altena, to approve resolution. Motion carried. This is a summary of the resolution. The complete text can be obtained at the Auditor's Office or online at www.lyoncounty.iowa.gov under Supervisors then Resolutions.

Zoning and Planning Administrator Breckyn Sprock was present to discuss the draft of the Data Center Moratorium. The Board asked that Sprock take out the twelve months' time frame and the phrase that states "whichever is later." They thanked Sprock for coming.

Micah Freese, representing the City of Rock Rapids, was present to discuss several areas where the City would like to change the speed limits. Some of the roads are shared with the County. Sheriff Hilt was also present to answer any question the Board may have.

The proposed changes were as follows:

- **N. Union St./Harding Ave.:** Beginning 740 feet north of the intersection of Highway 9 and Union Street, the speed limit would be set at 35 mph for 2,325 feet.
- **N. Union St./Harding Ave.:** Beginning 3,065 feet north of the intersection of Highway 9 and Union Street, the speed limit would be set at 45 mph for 2,710 feet, ending near the north side of the Hark Boulevard intersection. The speed limit would remain 25 mph from the Highway 9 and Union Street intersection for the first 740 feet.
- **N. Boone St./Hark Blvd.:** Beginning 1,140 feet north of the intersection of N. 4th Avenue and Boone Street, the speed limit would be set at 35 mph for 4,240 feet, ending at the Harding Avenue intersection. The speed limit would remain 25 mph from the N. 4th Avenue and Boone Street intersection for the first 1,140 feet.

The Board agreed to all of the proposed changes, with one modification: they preferred that the speed limit remain at 35 mph all the way to 130th Street. Sprock will work with the County Attorney and the Deputy Clerk for the City of Rock Rapids to ensure that the ordinances are consistent on the shared roads. The Board thanked Freese for attending.

Chairman Herman introduced Resolution 2026-27, expressing support for several grant applications submitted to the Lyon County Riverboat Foundation for the Fall 2026 grant cycle. The applications include: Lyon County Ambulance - Request for portable radios for ambulance crew in the amount of \$43,617.60;

Lyon County Sheriff's Office - Request for 16 ballistic shields for \$60,000; Lyon County Recorder's Office - Request for Veteran's Discharge Books to be scanned for \$996. After much discussion regarding future costs of the County if items were approved by the LCRF, the Board decided to come back to this later in the meeting.

Don Brown and an associate from RenoDry USA met with the Board to discuss how their system can lower humidity and salt levels in the courthouse foundation. Brown shared examples of other locations using the system and noted that it requires no ongoing maintenance or extra costs after installation. After some discussion, the Board agreed to let Brown and his associate conduct a site inspection with Iwen to provide a project estimate. The Board thanked them for their time.

The Board returned to the discussion of Resolution 2026-27. A motion was made by Vanden Bosch, seconded by Altena, to approve the resolution as presented. The Board voted separately on each application. The Recorder's application was approved by a vote of 5-0. The Ambulance application was approved by a vote of 4-1, with Scholten opposed. The Sheriff's application received a vote of 2-3, with Hoefert, Altena, and Herman opposed. Motion did not pass. The Board expressed a preference for the higher ballistic-level shields over shields that provide protection only from small-caliber and lower-velocity rounds. The Board also felt that having two additional shields would allow on-duty officers to have access to the shields in addition to the Sheriff, Chief Deputy, and Sergeant. A motion was made by Herman, seconded by Hoefert, to amend the Sheriff's application to request five of the higher ballistic-level shields. Motion carried. This is a summary of the resolution. The complete text can be obtained at the Auditor's Office or online at www.lyoncounty.iowa.gov under Supervisors then Resolutions.

Randy Hage with the Engineer's office presented the MOU's between Lyon County and Lincoln County for 3 different bridges. Hage explained the County has had these agreements in the past but the state is requested that they all be updated. Motion by Altena, seconded by Scholten to approve and chairman sign all 3 MOU's. Motion carried.

Lyon County Engineer Daryl Albertson gave an update on all the current bridge projects.

Calico Skies Vineyard and Winery has applied for a Class C Liquor License renewal. Motion by Vanden Bosch, seconded by Scholten to approve and Chairman sign application for approval. Motion carried.

The Board needs to appoint another City representative for the Condemnation Compensation Board. Motion by Hoefert, seconded by Altena to appoint Jeremy Sprock. Motion carried.

The Board reviewed and discussed the current claims. Motion by Altena, seconded by Scholten, to approve the claims as presented. Motion carried.

Employment changes: Dan Aeschliman an Ambulance Driver has retired as of 9-2-2026.

Supervisor correspondence: Vanden Bosch- RIDES, Univ of IA Students, and MidSioux; Scholten- Univ. of IA Students
