

Chairman Randy Bosch convened the adjourned session with Bosch, Behrens, Koedam, Peters, and Michael present. Motion carried assumes unanimous vote unless otherwise stated.

The minutes of the October 8, 2018 meeting were reviewed. Motion made by Behrens to approve minutes, seconded by Peters. Motion carried.

Chairman Bosch turned the floor over to Kim Wilson, CEO for Northwest Iowa Care Connections Mental Health Region for discussion on the services and operations from NWIA Care Connections (NWIACC). Also present were: Shayne Mayer, County Attorney, Don Kass, Plymouth County Supervisor, Carl Vande Weerd, Sioux County Supervisor, Shane Walter, CEO Sioux Rivers, Aaron Haverdink, Sioux Rivers, Rob Aiken, Seasons Center, Julie Madden, Akron Hometown, Jayson Vande Hoef, Osceola County Supervisor, Denny Wright, Sioux County Supervisor, Mark Louter, Plymouth County Supervisor, Kalani Steinmetz, New Century Press, and Beth Wills, NWIACC Dickinson County. Wilson explained that she, Anderson, and Vande Hoef were present to answer any questions Lyon County might have regarding the services that Lyon County residents receive through NWIACC. Wilson touched on the services and how they are being administered to clients through the different providers the region has contracts with. Wilson did note that it is recognized that Lyon has stated they have trouble with getting emergency services for clients. Wilson asked Wills to comment. Wills noted that many of the services are voluntary, meaning if a client doesn't want to go then obviously the services are then not used. Wills also noted that those services that Lyon County has issues with seem to be region wide as well. Statistics are hard to validate as we can only get statistics from the services used. Wilson says the Region prides itself on using a community based approach and helping residents find services when needed, where they are needed, and how they are needed. There was much discussion regarding the pros and cons of staying with NWIACC and the possible move to Sioux Rivers Region.

Chairman Bosch asked that the Board move onto the other agenda topics as the Board is getting behind on the agenda. Bosch stated that a decision would be made later today in the meeting.

Chairman Bosch opened the public hearing at 9:45 a.m. to take public comment on the plan amendments for the Lyon County Economic Development Urban Renewal Area. In attendance were: Denny Wright, Julie Madden, and Kalani Steinmetz.

WHEREAS, as a preliminary step to exercising the authority conferred upon Iowa counties by Chapter 403 of the Code of Iowa (the "Urban Renewal Law"), a county must adopt a resolution finding that one or more slums, blighted or economic development areas exist in the county and that the rehabilitation, conservation, redevelopment, development or a combination thereof, of such area or areas is necessary in the interest of the public health, safety or welfare of the residents of the county; and

WHEREAS, the Board of Supervisors of Lyon County, Iowa (the "Board"), by prior resolution established the Lyon County Economic Development Urban Renewal Area (the "Urban Renewal Area") and adopted an urban renewal plan (the "Plan") for the governance of projects and initiatives to be undertaken therein; and

WHEREAS, notice of a public hearing by the Board of Supervisors of Lyon County, Iowa, on the proposed Amendment was heretofore given in strict compliance with the provisions of Chapter 403 of the Code of Iowa, and the Board has conducted said hearing on October 22, 2018; and

WHEREAS, copies of the Amendment, notice of public hearing and notice of a consultation meeting with respect to the Amendment were mailed to the West Lyon Community School District; the consultation meeting was held on the 10th day of October, 2018; and responses to any comments or recommendations received following the consultation meeting were made as required by law;

NOW, THEREFORE, It Is Resolved by the Board of Supervisors Lyon County, Iowa, as follows:

Section 1. The Amendment, attached hereto and made a part hereof, is hereby in all respects approved.

Chairperson, Board of Supervisors

Motion by Peters, second by Behrens to approve and Chairman sign Resolution 2018-31 setting a public hearing date to receive comment regarding noncurrent debt. Rollcall vote: District 1, District 2, District 3 support, District 4 support, and District 5 support. Motion carried.

Engineer Sievers and Jared Van Engen were present to discuss equipment. Sievers asked to remove purchasing a blade in 19/20 in order to purchase small equipment instead. Sievers asked to purchase a 6175 tractor (currently lease one every year), a mini excavator, a pickup, and two gravel pups. The Board stated they would rather have Sievers continue to rent the tractor as the county receives a new one each year and for the price you won't have to mess with maintenance costs. The Board approved a mini excavator (estimated \$65,000), pickup for Road Superintendent (estimated \$35,000 with possible trade-in if not moved/rotated to a different shop), and two gravel pups (estimated at \$45,000 each). Sievers also requested to purchase a sewer/culvert jet to clean out the culverts (\$20,000). The Board agreed that would be a good purchase.

Sievers has received a request for a road vacation from land owners of a portion of Goldfinch Avenue between Section 36 of Doon Township and Section 31 of Garfield Township. Sievers is not opposed to the vacation, but Auditor Smit would like to check on the process of vacation before the Board sets a public hearing. The Board will set a public hearing date at their next meeting in November.

A utility accommodation application was received from Premier Communications for Section 9 and 16 of Elgin. The line should be placed in the ditch due to the slope of the ditches there. Motion by Peters, second by Behrens to approve and Chairman sign application. Motion carried.

Sievers asked for approval to talk to landowner's regarding the need for easements that will be needed for the BRS-SWAP-CO60(95) bridge project. Sievers stated that both permanent and temporary easements will be needed due to the size and water flow of the structure. Board agreed that Sievers should start the discussion with landowners.

A signature needed on the contract with Henning Construction that was approved at the October 8th meeting regarding L-(TIF 2018)-73-60. Chairman Bosch signed the contract.

Sievers noted that paving North of Lester is wrapping up with red rock on the shoulders. It is going to be too cold to pour on L14 until Wednesday. They will need about 3 more days of work to finish the pouring on L14.

The Board again discussed the decision on whether to stay with NWIACC or move to Sioux Rivers. The options regarding the crisis center currently owned by

10-22-2018

Sioux Rivers were discussed with Shane Walters. The Board had lengthy discussion on what each felt would be best for Lyon County. Supervisor Behrens stated that NWIACC has been a great fit for Lyon County and would like to have Sioux and Plymouth counties join NWIACC rather than see Lyon County leave the region. Supervisor Michaels feels that moving to Sioux Rivers gives Lyon County an advantage to services Lyon County may not be receiving currently. Supervisor Peters stated that no matter which region Lyon County or any county is in, there isn't the money to properly sustain mental health services, but feels that Lyon County will be best served with having options and Sioux Rivers seems to hold the best options. Supervisor Bosch stated that Lyon County has gotten the best options available through NWIACC and would like to see Lyon County stay in that region. Motion by Koedam to vote on moving to Sioux Rivers Region, second by Michael. Peters added that he doesn't want Lyon County to enter into an agreement with Sioux Rivers if Woodbury County is involved. It was discussed with the Sioux River members present that it is clear that Woodbury County will not be a part of Sioux Rivers Region as of July 1, 2019. Supervisor Bosch called for a rollcall vote: District 1 support, District 2 support, District 3 no, District 4 no, District 5 support. Motion carried. The Board thanked everyone for a good discussion.

Attorney Shayne Mayer asked the Board for a union contract subcommittee to be formed as it is time to start initial conversations for 19/20. The only negotiable item will be wages. The subcommittee will be Michaels and Peters. The subcommittee will meet at 8:00 a.m. on the 25th with Mayer and Mayer will contact Smit to set up a special Board meeting once the subcommittee has met.

Auditor Smit asked the Board for the opportunity to explore voluntary insurance options with AFLAC for open enrollment for 2019. The Board gave the approval to do so.

A cigarette permit was received from the Dollar General store outside of Larchwood. Motion by Koedam, second by Michael to approve permit. Motion carried. Supervisor Behrens was not in room during vote.

A liquor license permit was received for Dollar General outside of Larchwood. Motion by Koedam, second by Michael to approve and Chairman sign. Motion carried.

A liquor license was received for Calico Skies Winery. Motion by Michael, second by Koedam to approve and Chairman sign. Motion carried.

Benjamin Blauwet was hired as a fulltime employee in the Secondary Roads department and will be based out of the Larchwood shop. Blauwet started October 8th at \$22.35/hour.

Supervisor correspondence: Koedam-NWIA Planning and Development; Behrens-NWIAACC and Landfill mtg.; Michael-Conversation with Conservation Director Van Otterloo. Van Otterloo informed Michael that Lyon County Conservation will no longer be taking care of Blood Run.
